

## Application for Priority Wait List Private Mooring Licence

## **IMPORTANT**

- To be placed on a Priority Wait List for a Private Mooring Licence, the applicant must provide Proof of Identity (POI) and pay the prescribed fee. If you submit the application by mail or email, do not send credit card details - Transport for NSW will contact you for payment.
- You do not need to have a vessel to be placed on a Priority Wait List. However, when you reach the top of the list and a site
  becomes available, you will have to get a suitable vessel registered in NSW in your name.
- The vessel must be at least 5.2 metres in length, unless otherwise approved by Transport for NSW.
- Mooring licence will only be granted 'subject to approval' and will be assessed on the proposed vessel size, type and condition.
